1.

On 30 November 1958, a tanker No. 211 arrived in Vienna from
Reni, USSR, with a cargo of aviation gasoline, which reportedly
came from Italy, USSR. Examination of the cargo manifest
showed that the cargo was
aviation gasoline.

2.

Another 5,000 tons of aviation gasoline is expected to be shipped from Baku, USSR, to Austria in the near future.

Comment.

During the week of 5 to 11 December, 45 tank cars of aviation gasoline had arrived in Austria from the USSR. There has been a recent increase in reports of Soviet aviation gasoline shipments to Austria. Whether this represents ~~an increase in~~ such shipments has not been determined.
